OK – It's a go. We will run through an example via screen sharing. I have the adobe program details from past meetings and will use that again.

Sean, Kevin, I haven't heard back from you. Are you still interested or able to meet this afternoon? If not we can reconvene after the new year.

Steve

Hi Steve,

Figured it might be good to have a check in prior to the holidays, I know I am out most of the rest of December.

We have availability next Thursday, the 18th between 11am and 1 PM and then at 3 PM. We could also meet at 1PM on Tuesday the 16th if needed.

If you could let me know if those times work for you, that would be great as I would like to get the meeting locked down as the window is getting smaller.

Cheers,

Sean Ramach
